PROFESSIONAL SUMMARY

Dedicated Full Stack Developer specializing in frontend technologies, robust system architecture, and technical education. Highly experienced in building scalable web and mobile applications using modern frameworks like React, Next.js, Node.js, and TypeScript. Adept at crafting responsive, user-focused interfaces, managing cloud infrastructure, and mentoring fellow developers to achieve high-performance results.

TECHNICAL SKILLS

Frontend: React, Next.js, TypeScript, JavaScript, HTML, CSS, Tailwind CSS

Backend: Node.js, Prisma, MongoDB, PostgreSQL, Firebase, Redis

Cloud & DevOps: Docker, Azure Container Apps, CI/CD Pipelines, GitHub Actions

Mobile: React Native

Design & Tools: Figma, Git/GitHub, REST APIs, Stripe, Paystack

PROFESSIONAL EXPERIENCE

Teleios | Full Stack Developer

2024 – Present

- Architect and maintain full-stack web applications, including a comprehensive Learning Management System (LMS) featuring intricate student profile management and course progression logic.
- Build and optimize robust backend services and REST APIs utilizing Prisma, MongoDB, and PostgreSQL.
- Configure and manage production deployments and technical administration portals using Azure Container Apps and CI/CD pipelines.
- Collaborate closely with cross-functional teams to deliver highly responsive features, resolve complex DNS routing, and optimize API data fetching for enhanced user experiences.

Freelance | Full Stack Developer

2022 – 2024

- Engineered and delivered 5+ scalable, responsive applications across various industries, managing the full software development lifecycle directly with clients.
- Developed **Ryde**, a real-time rideshare mobile application featuring trip initialization, dedicated driver dashboards, and Redis-based ride request processing.

- Built a dynamic digital marketplace platform enabling creators to list, market, and sell design assets and templates.
- Designed and deployed customized digital solutions for commercial clients, including responsive platforms for modern real estate development brands.

PUBLICATIONS & LEADERSHIP

Author, Mastering TypeScript

- Authored a comprehensive technical curriculum and guide designed to help students confidently transition from foundational JavaScript to professional-grade TypeScript development.

EDUCATION

Diploma, Frontend Engineering

2023 – 2024

AltSchool Africa

B.Sc., Accounting

2019 – 2023

University of Lagos
